

I-81 Corridor Coalition Stakeholders,

I've included below a list of the things we've been working during September for your reference.

I'd also like to mention the "Make 81 Safe" initiative that being forwarded in VA by State Senator Obenshain and Delegate Todd Gilbert. Please have a look at their website here:

<https://make81safe.org/>

I'd also like to remind you about our Twitter feed that's referenced in my signature. I post only items that I believe may be of interest to I-81 stakeholders so please have a look.

As always, please feel free to contact us with suggestions and comments.

Thanks for your continued support!
